**Verisona Law is a progressive, independent commercial law firm for businesses based in Portsmouth and the surrounding region which also provides specialist private client services. The firm is dedicated to innovation and exceptional client service.**

We would like to appoint a Private Client Solicitor or Legal Executive to join our successful, well established and collegiate private client team based at our Lakeside office. There would also be the need to work at our Waterlooville office on occasions.

We have plenty to offer you if you are looking for your next career move. We are an innovative, fast-moving firm with specialists in a mix of business and personal law. We are here to help our clients achieve their ambitions - and we extend the same support to the people who work for us.

Our 1000 Lakeside office is set within the large and modern Lakeside business campus and is ideally placed for access to the M27 and has transport links via bus and train and on-site car parking.

The position will be to advise on a full range of Private Client matters; wills - standard and complex, codicils and estate administration, IHT planning, trusts and Powers of Attorney.

The ideal candidate will be driven, bright and with a genuine passion for this area of law.

The candidate will be expected to actively engage in internal and external business development activities, networking and marketing activities.

The salary for this role is negotiable, dependent on experience, plus we offer a [competitive and flexible benefits package](#).
