DIVERSITY DATA REPORT 2015

Diversity Data Report 2015

All firms regulated by the Solicitors Regulation Authority are required to publish a summary of their workforce diversity data. All individuals who work at Verisona Law have been encouraged to take part in our survey, but are under no legal obligation to do so.

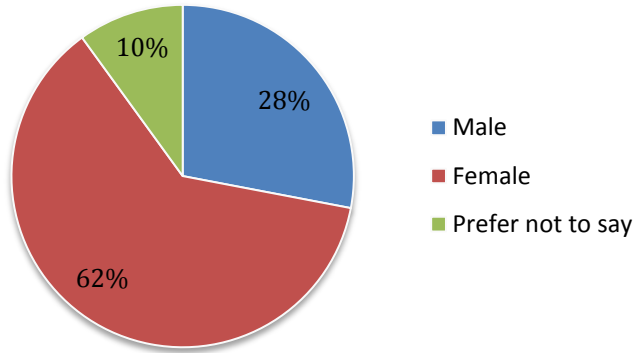

To comply with Data Protection rules we have summarised the data obtained in such a way as to ensure no individual can be identified. A summary of the data provided by those who responded to our survey is summarised below.

Age of employee

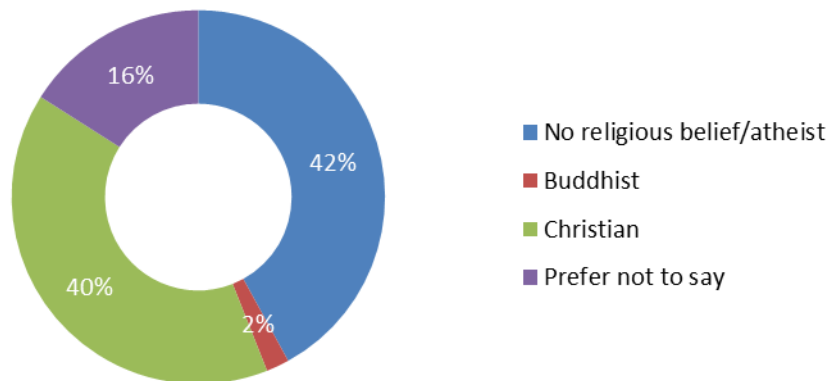

Gender

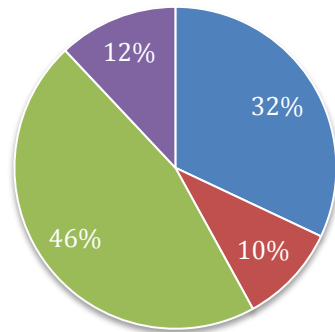

Religious belief

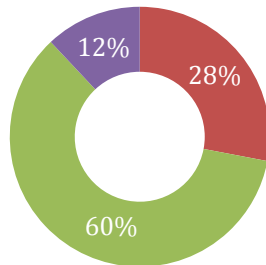

Socio Economic background - University

- Attended University as first generation of family to do so
- Attended University not first generation
- Did not attend University
